Would Compel Railroads to Publish Rates and Regulations.

Deadwood, S. D., Aug. 18.—At the meeting of the National Railway association the following resolutions in brief were adopted:

First—To require all railroad companies and other corporations to file all rate and regulations with the commission and publish rates for the information of the public.

Second—If a rate is found unjust the commission be given power to annul until the courts decide the matter.

Third—If a carrier is found to be discriminating against persons or places he shall be at once ordered out or conform with the rules.

Fourth—No corporation shall be allowed to increase a rate without first consulting the interstate commerce commission.

Fifth—That a railroad company or corporation be compelled to give up their books to the commission upon demand.

Sixth—That the law give the commission power to make rules and regulations for the government of private car lines.

Seventh—That Section 4 of the act to "regulate commerce" is not full and definite and should be amended.

Eighth—That heavy penalties be levied on corporations not obeying orders.

BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carthage, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

BANKERS LOSE MONEY.

Jewish Financiers do Not Consider Personal Profit in Dealing With Russia.

London, Aug. 18.—Discussing in the Jewish Chronicle M. Witte's interview with the Jewish bankers at Portsmouth, Stuart Montague, M. P., a nephew of Sir Samuel Montague, the banker, says:

"The Jewish bankers undoubtedly have lost large sums of money by their refusal to participate in the recent financial operations of the Russian government, but no more consideration of personal profit weighs with them. The fact they refused to have anything to do with a government that persecutes their co-religionists on account of their religion."

Mr. Montague said he was much impressed with M. Witte, whom he interviewed in St. Petersburg, and concludes: "I am not without hope that the position taken by the Jewish banking houses here and in America may not be without effect."

DEATHS FROM NERVOUSNESS NOW ON THE DECREASE.

Health Board of New York Prepares Statistics—Consumption Increasing.

New York, Aug. 18.—An examination of the health records of New York, prompted by statistics recently compiled by the Chicago health department, shows that there is a remarkable decrease of deaths from nervous troubles in the city since 1870, while in other ailments, such as heart disease, Bright's disease and consumption, have been gaining ground, all affections of the nervous system have diminished as New York has grown larger and more turbulent. As stated, the investigation was inspired by a recent report from Chicago showing that deaths there from nervous disorders had fallen off from 37.6 per 1,000 in 1870 to 12.8 per 1,000 in 1890.

Public Is Aroused.

The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters, of 546 St. Clair ave., Columbia, O., writes: "For several months, I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak, from useless doctors' drugs, that I could not eat. Soon after beginning to take Electric Bitters, I obtained relief, and in a short time I was entirely cured." Guaranteed at Chas. Rogers' drug store. Price 50c.

Who Gets the Most Out of Life?

Not the wealthiest, not the most learned, nor the idler—but the man who has good health and works for his living. This truth is trite, but not trivial.

Every man should guard his health as his most valuable possession. The more so because health is easier to retain than regain.

Keep your grip on health by regular exercise, reasonable care in eating and requisite sleep. Take Beecham's Pills occasionally, to tone the stomach and keep the liver and bowels in good working order. And don't worry.

Observe these simple rules and you will agree that the one who gets the most from life is
